

# ALL SAINTS ANGLICAN CHURCH

## Needs and Wants List

This list is updated periodically as items are obtained and priorities change. If you wish to give a monetary contribution for any items on this list, please place a check in the collection plate and annotate that it is for the *Needs and Wants List*. The Vestry will use these funds to purchase needed items from the list, or if you wish to donate an item, please let one of the Vestry members know so that we can delete the item. Often, items are purchased from operational funds because they are needed now. You can provide funding for an item after it has been purchased. If you wish to order an item for the church, call Diane Gardner to communicate your preference. Thanks.

1. Funding for transportation for candidate priests.
